**Immunization Record** (please check one)

I have provided the childcare operation with a copy of my child's most current immunization record.

I am excluding my child from the immunization requirements for reasons of conscience, including a religious belief. I have attached an official notarized affidavit form developed and issued by the Department of State Health Services. I understand this affidavit is valid for 2 years.

For additional information regarding immunizations contact the Department of State Health Services at [www.dshs.state.tx.us/immunize/public.shtm](http://www.dshs.state.tx.us/immunize/public.shtm)

**Health Statement:** One of the following must be presented when your child is admitted to the child-care operation within one week of admission. Please check only one option:

Health-Care Professional's Statement: I have examined the child within the past year and find that he/she is able to take part in the child care program.

---

A signed and dated copy of a health care professional's statement is attached.

Medical diagnosis and treatment conflict with the tenets and practices of a recognized religious organization, which I adhere to or am a member of; I have attached a signed and dated affidavit stating this.

My child has been examined within the past year by the following health care professional and is able to participate in the day care program. I will obtain a health care professional's signed statement and will submit it to the child-care operation, within 12 months.
